**1. Description of the Industry in which the Company Operates**

The financial services industry in Grenada is very competitive, with five commercial banks (regulated by the ECCB), one development bank, several insurance companies and many co-operatives. In recent years, the co-operatives have been increasingly active as they seek to improve their share of business. The National Insurance Board is an active player in the mortgage market. Two money transfer companies are active players in the money transmission market. The regulation of all non-bank financial institutions in Grenada by Grenada Authority for the Regulation of Financial Institutions (Garfin), commenced in 2007.
